

Rules on board

For all passengers comfort the following rules exists.

1. Liqueur on board

Liqueur bought on board consumed in public spaces may be confiscated. Try out the wide selection of liqueurs in the bars.

2. Parties in the cabins and loudspeakers

Loudspeakers is only allowed in the cabins.

3. Keep the sound level reasonable

Decrease the sound level if the guards, group leaders or your neighbors ask you to so.

4. Silence from 06.00 to 10.00

In the cabin compartments it should be silent from 06.00 to 10.00 to allow passengers to rest. If you want to party go to the bar/disco. On the 11th and 13th stricter times of silence apply.

5. Lights and sprinklers

Lights and sprinklers are necessary safety equipment. It is forbidden to cover, dismantle or in any other way to make these out of order.

6. Be careful with the sprinklers

The sprinklers are sensitive to shocks, if they go of it will result in a very expensive work to restore the cabin.

7. Smoking is only allowed in marked areas

8. Smoking is not allowed in the cabins or on the dance floor.

9. Clean your cabin before arrival at your destination

10. All passengers in one cabin share the responsibility for the cabin.

If your cabin is damaged all passengers in it share responsibility and will share the cost for repairs and cleaning.

11. Don't damage anything on board

All damage will result in liability and will be reported to the police.

12. In severe cases

In severe cases of misbehavior passengers may be put ashore in nearest harbor and surrendered to the police. The passenger has to arrange the return trip.
